Who We Are

TBN is the world's largest religious network and Asia's most watched faith channel. TBN offers 24 hours of commercial-free inspirational programming that appeal to people in a wide variety of Protestant, Catholic, and Messianic Jewish Denominations. As the undisputed leader in faith-based programming for decades, TBN has developed a large and loyal following and can assist service providers who want to connect with current and potential subscribers in the faith community.

Our Mission & Goals

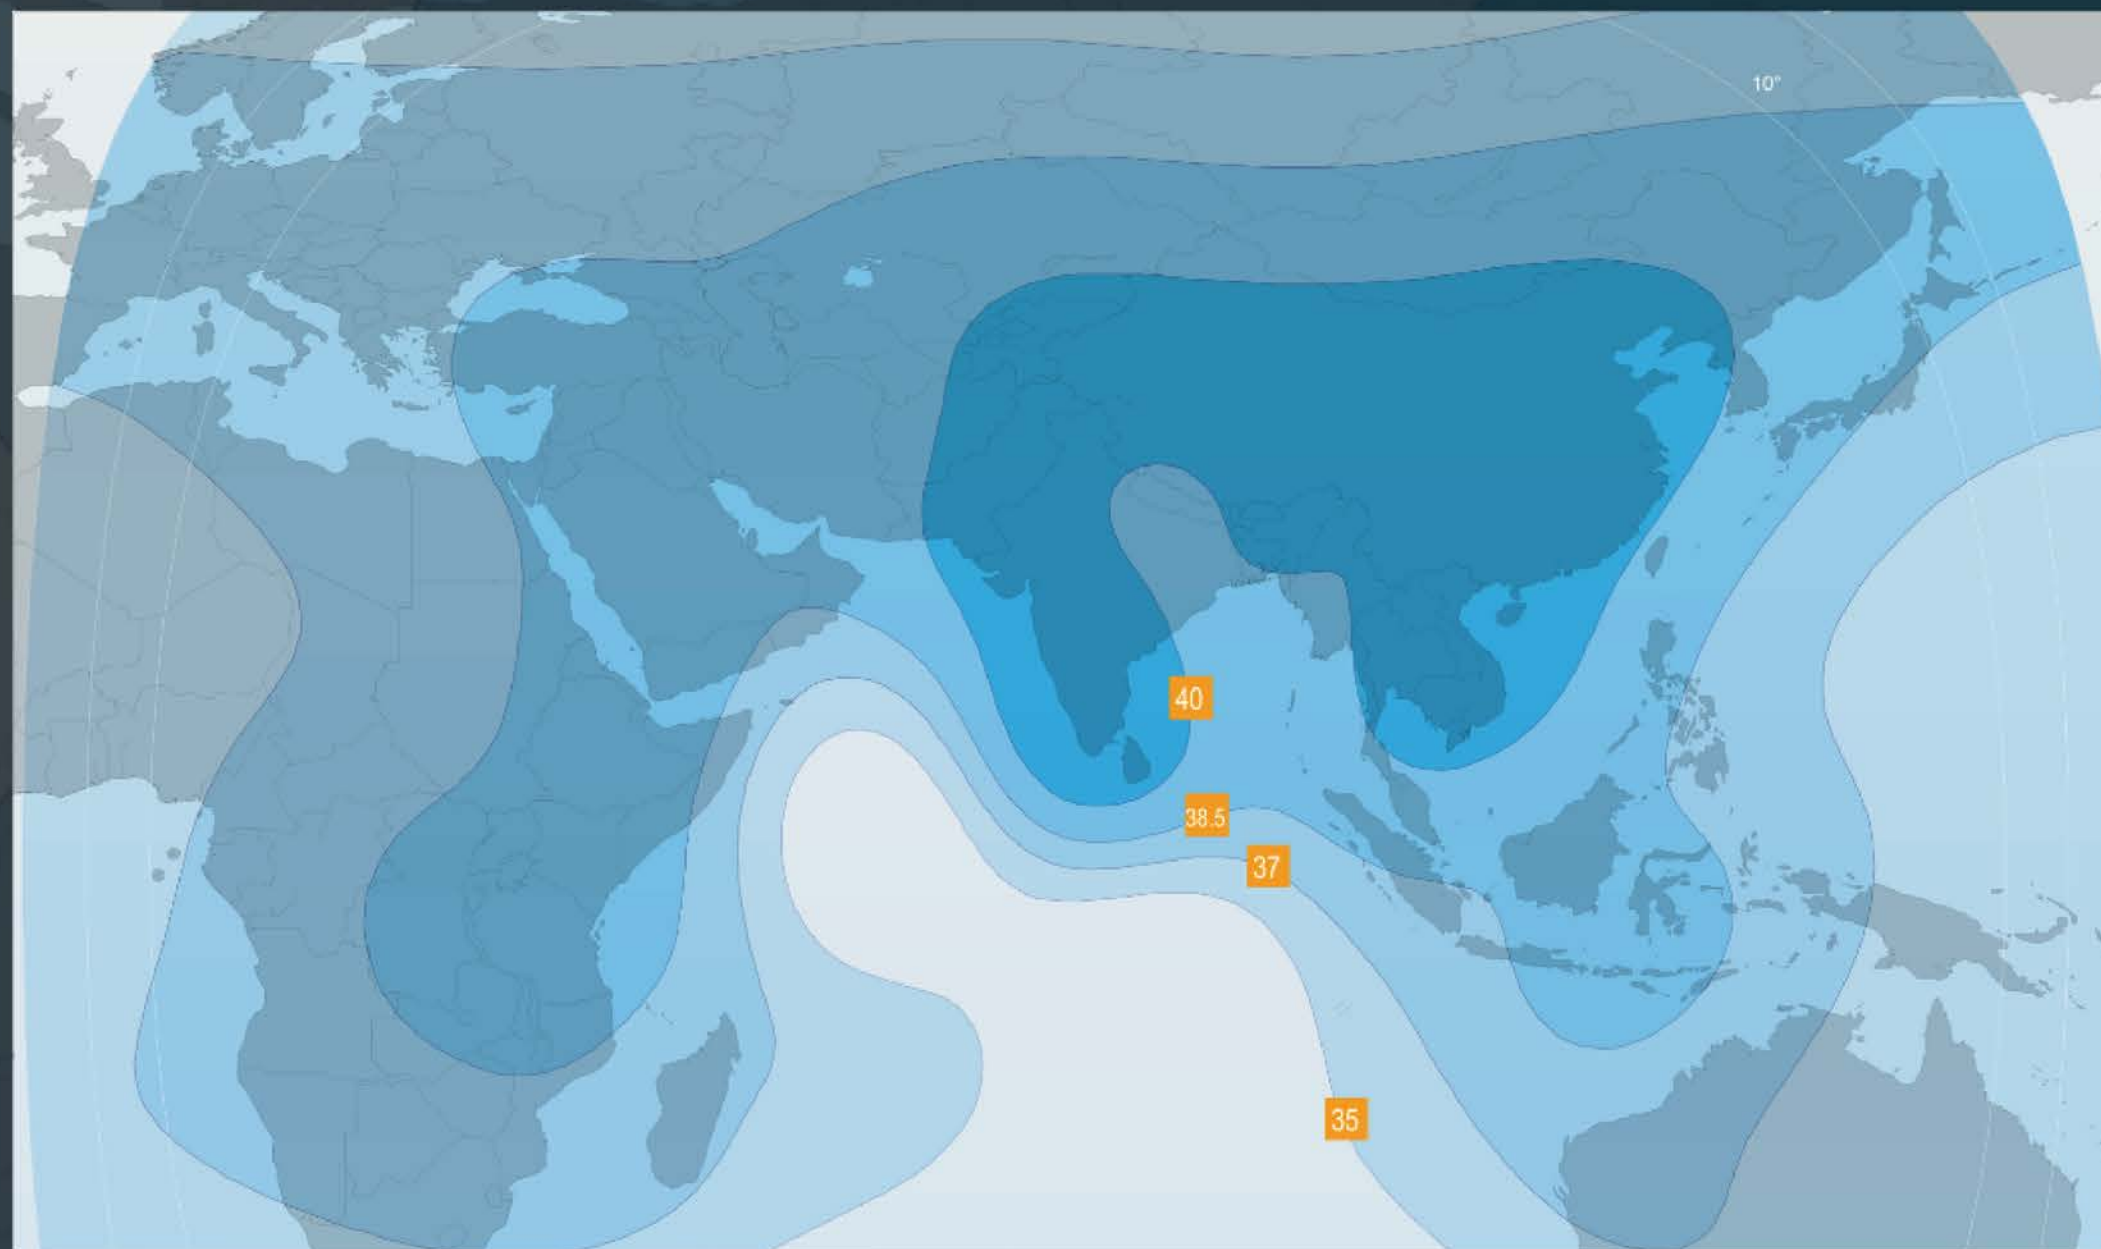

For nearly 50 years the mission of the Trinity Broadcasting Network has remained unchanged: To use every available means to reach as many individuals and families as possible with the life-changing Gospel of Jesus Christ.

Launched in 1973 by Christian television pioneers Paul and Jan Crouch, TBN began as one low-power television station broadcasting a few hours of Christian programming each day to viewers throughout the Los Angeles area. In the years since, TBN has grown into a family of over thirty twenty-four-hour global networks reaching every inhabited continent with entertaining, inspirational, and life-changing programming for every family member and demographic.
